Foreman, Dave, et al., eds., *Earth First!* 5, no. 3 (2 February 1985). Republished by the Environment & Society Portal, Multimedia Library. http://www.environmentandsociety.org/node/6857.

In this issue of *Earth First!* Mike Roselle describes how the people of Meares Island, Canada, struggle with the forestry corporation MacMillan Bloedel, Leon Czolgosz discusses military land grab, Scott Ploger describes the current situation for grizzlies in Yellowstone National Park, and Howie Wolke reminds the readers about Earth First!'s position within the enviromental movement.

> I am more convinced than ever that the idea of making "moderate" wildemess proposals in order to appear "reasonable" in political circles is, in pragmatic political terms, foolish, naive, and just plain stupid strategy.
>
