In this issue of *Earth First!* Huey Johnson defends hunting as a positive activity for the *Earth First!* movement. Rod Harbinson gives an update on Burma, where forests fall victim to war, and Mike Meese from *Earth First!* UK reports about the occupation of Liverpool docks, where activists are stopping the unloading of a timber ship from Sarawak.

> I am a hunter. I hunt for food and spiritual involvement with the earth. Therefore, I am bothered by the sudden opposition to hunting within *Earth First!* when *Earth First!*ers especially should be on my side.
