Interview with Anna L. Tsing, curator of *Feral Atlas: The More-than-Human Anthropocene*

Vann, Michael

Vann, Michael. "Anna L. Tsing, 'Feral Atlas: The More-than-Human Anthropocene.'" *New Books in History*, January 22, 2021. Mp3, 51:22.

> Do you feel lost in the Anthropocene? Would you like a map to chart your way through our changing world? How about an atlas? Well, the Feral Atlas Collective has something that might help you out. In this episode Anna Tsing, an anthropologist from U.C. Santa Cruz, tells us about the *Feral Atlas: The More-than-Human Anthropocene*. (Source: New Books Network)

In this episode of *New Books in History*, Michael Vann interviews Anna Tsing, co-editor and curator of *Feral Atlas: The More-than-Human Anthropocene* .
