Gary Martin on "The Adaption of Local Knowledge Societies and Systems to Global Change"

Niepytalska, Marta, "Gary Martin on 'The Adaption of Local Knowledge Societies and Systems to Global Change.'" *Carson Fellow Portraits*. Directed by Alec Hahn. Filmed May 2011. MPEG video, 4:52. https://youtu.be/_PbMZ0bbM80.

In 2000, Gary Martin founded the Global Diversity Foundation (GDF), which helps indigenous peoples and local communities maintain their agricultural, biological, and cultural heritage through long-term projects encompassing research, training, and social action. His research draws on case studies that he has developed through the GDF over the last decade.
