Multimedia Library Collection: Environmental Film Profiles (videos)

Delivery

Nowak, Till. *Delivery.* Hamburg: frameboX, 2005. Original format: 35 mm 1:1,85, 9 min. https://youtu.be/r6WnyB95aYY.

> An old man lives a lonely life under the dark shadows of industrial smog. One day he receives a mysterious package that gives him the ability to change his environment. *Delivery* conveys a surreal story about change in a corrupt world. It combines a political message with 3D design and a haunting soundtrack. (Source: Official Film Website)
