Multimedia Library Collection: Environmental Film Profiles (videos)

Motoquero and *¡No hay tiempo!* [There's No Time!]

Students of Universidad Internacional (NFB.4). *Motoquero.* Berlin: Kolleg für Management und Gestaltung nachhaltiger Entwicklung GmbH, 2008. 0:47. https://youtu.be/DMdW6daffbc.

Students of Universidad Internacional (NFB.4). *¡No hay tiempo!* [There's No Time!] Berlin: Kolleg für Management und Gestaltung nachhaltiger Entwicklung GmbH, 2008. 0:49. https://youtu.be/ltBNYeDzABw.

> The Universidad Internacional (UI) (Internationale Sommeruniversität) is an intercultural institution engaged in dialogue between the global South and the global North with reference to sustainable development. The clips featured here come from the UI's NFB series (where NFB stands for Nachhaltiger Filmblick or "Sustainable Film Vista"). Each clip is created by students acquiring communication skills for relaying messages concerning sustainability, renewable energy, energy efficiency, and climate change using audio-visual media. (Source: Universidad Internacional / Internationale Sommeruniversität)
