Funes Monzote, Reinaldo. "The Latin American and Caribbean Society of Environmental History." *Global Environment* 1 (2008): 244–9.

Reinaldo Funes Monzote shows how the Latin American and Caribbean Society of Environmental History (SOLCHA, in Spanish) has become part of a movement aimed at creating a more inclusive and less anthropogenic history, and facilitating the encounter between the natural and the social sciences in order to construct a sustainable future for human species and their companions on our Planet.
