  HOW TO NEGOTIATE WITH THE CORPORATE MEDIA

> What will it take? What will it take for environmentalists to make the connection between what is on our plates and the continued degradation of the planet? [...] Animal agriculture plays a major part in land, air and water pollution. [...] The destruction of native plants and the introduction of invasive weeds are just the beginning. [...] In the current state of the world, is it possible to consume any animal product in a humane and sustainable manner? The answer is clearly no.
