Multimedia Library Collection: Nature's Past (podcasts)

Episode 9: "Environmental History Graduate Studies in Canada"

Kheraj, Sean. “Episode 09: Environmental History Graduate Studies in Canada.” *Nature’s Past* Podcast, 21 September 2009. MP3, 34:22. http://niche-canada.org/2009/09/21/natures-past-episode-9-environmental-history-graduate-studies-in-canada/ .

In May 2009 a round-table conversation with four environmental history graduate students following the Canadian History & Environment Summer School in Ottawa, Ontario, was recorded. The students discussed their own experiences studying and researching and they spoke about the unique qualities of environmental history training. Also, Will Knight, the New Scholars in Canadian History & Environment representative, joined the round to talk about the New Scholars group and future project ideas.

Nature’s Past podcasts are posted on a monthly basis on the website of the Network in Canadian History & Environment / Nouvelle initiative Canadienne en histoire de l’environnement (NiCHE). The podcasts contain discussion about the environmental history community and research in Canada. They are hosted by Sean Kheraj, an assistant professor in the Department of History at York University in Toronto, Canada.
