In this issue of *Earth First!* Mike Davis calls for attention to the destruction of our planet with the words: "Wake Up!" Ron Johnson discusses trash and trains, "Sockeye Sue" gives an update on the actions in Walbran Valley, and Joanne Forman contributes a musical piece for Earth First! kids.

> A few days ago, I stood in front of a federal judge as he sentenced me to six years in prison on monkeywrenching charges; I had destroyed machinery with the intention of slightly slowing the accelerating destruction of our planet. [...] We humans are collectively killing this planet and dooming our own children by indulging in an orgy of consumption and denial.
