Smith, Don, et al., eds., *Earth First!* 12, no. 6 (21 June 1992). Republished by the Environment & Society Portal, Multimedia Library. http://www.environmentandsociety.org/node/6963.

In this issue of *Earth First!* John Green gives an update on the campaign against the timber giant Louisiana-Pacific in the Albion River, Northern California. In addition, an anonymous EF!er responds to Huey Johnson's editorial on hunting and spirituality, and Erkki Saro reports about the logging plans of old growth forests in Finnish Lapland.

> A long dispute about the last remaining Finnish old growth forest wildernesses has come to a decision. It seems also now the ax will win and a considerable part of the forests will disappear.
