Tambogrande: Mangos, Murder, Mining

Boyd, Stephanie, and Ernesto Cabellos. *Tambogrande: Mangos, Murder, Mining*. Lima: coop99, Asociacion Guarango, 2006. 16 mm, 85 min. https://youtu.be/89cbpG3WhJo.

> Adventurous pioneers transform Peru's harsh northern desert into a fertile valley of mango and lime orchards. But all they have worked for is threatened when gold is discovered under their land. Fear, violence and murder rock their once quiet community. In the midst of chaos, a martyr's vision unites the farmers and leads them down a revolutionary path of non-violent resistance. These brave men and women take on corrupt politicians and the global mining industry in an epic tale of ordinary people rising to heroic deeds in times of great crisis.
