Coulter, Karen, et al., eds., *Earth First! Journal* 14, no. 3 (2 February 1994). Republished by the Environment & Society Portal, Multimedia Library. http://www.environmentandsociety.org/node/6994.

In this issue of *Earth First! Journal* Jonathan Simms gives an update on the actions against the Yukon government for the sake of wolfs, Judi Bari and "Wolverine" discuss whether to monkeywrench for the sake of the environment, and David Orton sheds light on the subject of sustainable forestry.

> Friends of the Wolf, BC, gave the murderous thugs running the Yukon Government a Christmas gift they won't soon forget. To celebrate the Solstice, we blocked the Alaska Highway, stormed the legislature, and exposed a scandal that the government would rather have kept quiet.
