In this issue of *Earth First! Journal* Annie Glade expresses her opinions on the human race in her editorial with the title "Suppression of Truth," Jonathan Crowell reports from the protests against the Aryan Nations, and Thomas Kocherry discusses globalization and whether it leads to development or destruction.

> I don't need to tell you the system is fucked up. I don't need to tell you the human race isn't winning the race and that it's taking everything wild and free with it toward mass extinction.
