- TRINKETS & SNAKE OIL
- SUBSCRIPTION INFO
- PRISONER SUPPORT
- EARTH FIRST! DIRECTORY
- 2002 WINTER GAMES: TRIUMPH OF GLOBALIZATION

It seems it doesn't take too long before we as humans come across something new about ourselves or the world around us that we hadn't known before. What we do with that information pushes us into untold directions of debate. And so, the philosophical definitions we subscribe to are always subject to change in light of this new insight into ourselves. What cannot be justified one day may have another chance tomorrow.

— Christian
