- EF! JOURNAL READER SURVEY

There's something about fire, rebellion and transformation. Ancient stories say that fire was stolen and redistributed since the beginning of time. [...] Fire is the temper of revolution. It is the riot when words and promises become meaningless. Fire is passion. It is a fever in the body. Fire is destructive, but it is also transformational. [...] Now is the time to start the healing fires that will begin to correct the imbalances and injustices in the world. [...] Everybody, grab your matches!
