- Memories of B
- People's Uprising in Oaxaca
- Dealing with Trauma and Burnout
  Experiences of Support Work
- EF! Organizers' Conference
  February 22-26 Austin, Texas

We feel loss more often than most. To be a part of Earth First!—or any movement dedicated to protecting the natural world—is to be intimately aware of the many times when our efforts fail. Every day, forests are clearcut, mountains leveled, seas polluted, gardens made barren and species driven extinct.

— Josh
