- Proposal for a Long-Term EF! Land Project
- Herb Blurb
- EAT (IT): Eco-Assassin Team (in Training)
- Battle of the 21st Century
- Twenty Years of Protecting Forest Ecosystems: Blue Mountains Biodiversity Project Retrospective

> Direct action is the idea that "it is more empowering and effective to accomplish goals directly than to rely on authorities or representatives. Free people do not request the changes they want to see in the world: they make those changes" [...]. EF! already uses direct action as reclaimed freedom to act in defense of Mother Earth. Let's extend this respect for diverse and radical tactics to our comrades on other liberation fronts.
