**Multimedia Library Collection: Environmental Film Profiles (videos)**

# *The 11th Hour*

Petersen, Leila Conners, and Nadia Conners. *The 11th Hour*. Burbank: Warner Independent Pictures, 2007. Multiple Formats, 63 min.

> *The 11th Hour* is the last moment when change is possible. The film explores how we've arrived at this moment—how we live, how we impact the earth's ecosystems, and what we can do to change our course. Featuring ongoing dialogues of experts from all over the world, including former Soviet Prime Minister Mikhail Gorbachev, renowned scientist Stephen Hawking, former head of the CIA R. James Woolsey and sustainable design experts William McDonough and Bruce Mau in addition to over 50 leading scientists, thinkers and leaders who discuss the most important issues that face our planet and people. Narrated by Leonardo DiCaprio, written and directed by Leila Conners Petersen and Nadia Conners. (Source: Official Website )
