Multimedia Library Collection: Environmental TED Talks (videos)

Finley, Ron, "A Guerilla Gardener in South Central LA"

Finley, Ron. “A Guerilla Gardener in South Central LA.” Filmed February 2013. TED video, 10:38. Posted March 2013. http://www.ted.com/talks/ron_finley_a_guerilla_gardener_in_south_central_la.

> Ron Finley plants vegetable gardens in South Central Los Angeles—in abandoned lots, traffic medians, along the curbs. Why? For fun, for defiance, for beauty and to offer some alternative to fast food in a community where “the drive-thrus are killing more people than the drive-bys.” (Source: TED)
