"Reply to Thomas Greaves"

Callicott, J. Baird

Callicott, J. Baird "Reply to Thomas Greaves." *Environmental Humanities* 4, no. 1 (2014): 207-11. doi:10.1215/22011919-3614998.

I am delighted that Thomas Greaves has found my provocation piece, "A NeoPresocratic Manifesto," so provocative that he has honored it and me with a rejoinder. I am very grateful, as well, for his kind compliments on my philosophical legacy generally. And I want herewith to return the favor by offering him and the readers of this journal a thoughtful reply. (Text from author)
