ENFORMA: Environmental History Network for the Middle Ages (website). http://www.medievaleh.org .

This website is a networking portal for researchers working on medieval environmental history. It is a place to share publication news, conference information, and research ideas.

If you have news or other information to post on the website, send an email to news@medievaleh.org with the details.

ENFORMA has a mailing list available for members. To subscribe or unsubscribe to the list, go to the list management page and follow the instructions.

The site is maintained by Dolly Jørgensen, Associate Professor, Luleå University of Technology.

(Text from ENFORMA)

ENFORMA hosts publications , profiles researchers in medieval environmental history, and provides downloadable teaching resources and syllabi .
