Interview with Helen Rozwadowski, author of *Vast Expanses: A History of the Oceans*

Robinson, Michael F.

Robinson, Michael F. "Helen Rozwadowski, 'Vast Expanses: A History of the Oceans.'" *New Books in History*, November 15, 2019. Mp3, 32:55.

> Helen Rozwadowski talks about the history of the oceans and how these oceans have shaped human history in profound ways. Rozwadowski is a professor of history at the University of Connecticut, Avery Point. She is the author of many books including *Vast Expanses: A History of the Oceans* (Reaktion Books, 2018).
>
> Much of human experience can be distilled to saltwater: tears, sweat, and an enduring connection to the sea. In *Vast Expanses*, Rozwadowski weaves a cultural, environmental, and geopolitical history of that relationship, a journey of tides and titanic forces reaching around the globe and across geological and evolutionary time.
