"Dismantling the Machine: Modern Technology as Magic"

Hornborg, Alf

Hornborg, Alf. "Dismantling the Machine: Modern Technology as Magic." Presentation at the Rachel Carson Center, LMU Munich, 16 December 2021, 32:16.

The Lunchtime Colloquium series consists of short, 20–30 minute presentations by RCC fellows and invited speakers. The talks are based on the presenters' own research, often focusing on their most recent project. Designed to stimulate discussion, the presentations are accessible and are aimed at a non-specialist audience.

Alf Hornborg is a professor of human ecology at Lund University, Sweden, and he was invited to present by the PhD candidates at the Rachel Carson Center.
