“Pentagon Interest in Global Warming... when? Military Fascination with the Physical Environmental Sciences in the Early Cold War”

Doel, Ron

Doel, Ron. “Pentagon Interest in Global Warming... when? Military Fascination with the Physical Environmental Sciences in the Early Cold War.” Presentation at the Rachel Carson Center, LMU Munich, 4 November 2021, 36:27.

The Lunchtime Colloquium series consists of short, 20–30 minute presentations by RCC fellows and invited speakers. The talks are based on the presenters’ own research, often focusing on their most recent project. Designed to stimulate discussion, the presentations are accessible and are aimed at a non-specialist audience.

Ron Doel is associate professor of history (history of science, technology, and environmental history) at Florida State University. He was a Carson Fellow in 2021.
