"Consumer Capitalism and the Environment"

Stoll, Mark

The Lunchtime Colloquium series consists of short, 20–30 minute presentations by RCC fellows and invited speakers. The talks are based on the presenters' own research, often focusing on their most recent project. Designed to stimulate discussion, the presentations are accessible and are aimed at a non-specialist audience.

Mark Stoll was a fellow at the Rachel Carson Center for Environment and Society in 2019.
