"Biosecurity with Steve Hinchliffe"

Hirtenfelder, Claudia

Hirtenfelder, Claudia. "One Health with Nina Jamal." *The Animal Turn*, season 5, episode 1, 17 October 2022. Mp3, 1:22:13.

Claudia launches season 5 of The Animal Turn with a conversation on biosecurity with Steve Hinchliffe, a renowned geographer. They discuss how biosecurity is centered on the idea of keeping life safe and how this often operates through spatial logics of trying to keep threats out. They touch on how animals are often blamed for biosecurity threats, questions about whose lives are kept safe, and the various walling work that is done under the banner of biosecurity.
